Project Update #2

Welcome to the second CENTAUR Project Update! By becoming part of our community, you'll be able to keep up to date with the latest developments, news and events surrounding our project.

As we celebrate the first anniversary of CENTAUR, we are pleased to report that our project is progressing smoothly according to the planned timeline for this phase.

Throughout the year, we've participated in various international events, such as the 19th UN Space Open Session in Italy and the Be-Resilient Regional Forum in South Africa.
